Oxford International Education Group – North America believes that the fastest way to learn a language is to use that language as much as possible. Our English-Only policy was created specifically to give students what they want: the chance to improve quickly. This policy extends to: classes, classrooms, the Learning Centre, the Computer Room and the Student Lounge. It does not extend to: bathrooms, any areas outside the school (i.e. elevator, halls of building, etc).

The consequences for students who do not abide by this policy are as follows:

- Students will receive a first written warning that if they break the school’s English Only Policy a second time, they will be required to submit a writing about why it’s important to follow the English Only Policy before returning to class.
- If this continues to be a problem, disciplinary action may include a suspension or expulsion from the school.
